

Drug and Alcohol services in Blackburn with Darwen are changing

On the 1st April 2015, CRI will be launching up a fully integrated substance misuse, prevention and recovery service delivered from a range of access points across Blackburn with Darwen, making access to services more accessible and closer to where you live.

If you would like to discuss the new service with someone, have your say and ask questions, you can contact us using the details below.

Before the new service launches, we'll also be holding special events to give you an opportunity to find out more about the planned service and how the changes will benefit your treatment and recovery, we will publicise these events widely.
