

CAUDA EQUINA SYNDROME SYMPTOMS

If you have back pain with sciatica [pain down the thigh and leg] there is a small chance of getting compression of the spinal nerves leading to:

DIFFICULTY PASSING URINE and/or

NUMBNESS IN YOUR BOTTOM in the area

between your back passage and front passage or penis in a man

**IF EITHER OR BOTH THESE THINGS HAPPEN
GO TO ACCIDENT AND EMERGENCY RIGHT
AWAY AS AN EMERGENCY MRI SCAN
WILL BE NEEDED**
