

Spinal Drop - in Clinic

Spinal Drop-in clinic is for:

- Assessment & management of neck, mid-back or lower-back pain which may include pain radiating to the arm or leg for those aged 16 yrs and over.

Before attending, we advise:

- Consult your GP as adequate pain relief is essential to facilitate your recovery.
- Take appropriate medication & stay active as per the national guidelines for management of back pain, visit www.nhsinform.co.uk/msk/back for more information.

At the clinic:

- You will be expected to complete a questionnaire so bring reading glasses if necessary.
- Bring a list of all your current medication.
- You may be expected to undress for examination so bring shorts/vest top if you prefer.
- Your assessment may last for up to 1 hour
- You must be able to speak English or bring someone with you who can. If not you need to contact the Physiotherapy Department to arrange an alternative appointment with an interpreter.

Please note:

- You may attend any of the venues listed.
- This service works on a first come first served basis and there may be a wait before being seen.
- On occasions the clinic may be full and therefore you will be offered an alternative appointment.
- These clinics do not operate on bank holidays
